EXAMINER'S REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: None of the prior art of record teaches or discloses a substrate exposure system comprising a plurality of substrate transport means each for transporting one substrate to a measurement position and an exposure position and measuring head-moving means for moving the measuring head to the respective measurement positions of the plurality of substrate transport means; and exposure head-moving means for moving the exposure head to the respective exposure positions of the plurality of substrate transport means.
